

Course:

Book Study, All Learning Is Social and Emotional, Helping Students Develop Essential Skills for the Classroom and Beyond

What exactly is social and emotional learning and how can teachers integrate it into classrooms to support students? Our authors believe that classroom learning always includes cognitive, social and emotional aspects. Does focusing on SEL take away from academics? Do SEL programs teach values and if so, is that a job for teachers or parents? This book, written by Nancy Frey, Douglas Fisher and Dominique Smith, provides K-12 educators with a toolbox of strategies that will help transform students into empowered, all-purpose problem solvers.

BOOK:

All Learning Is Social And Emotional, Helping Students Develop Essential Skills for the Classroom and Beyond

Written by *Nancy Frey, Douglas Fisher, Dominique Smith*

COST:

\$175 Course Fee

OPTIONAL GRADUATE CREDITS/ WA STATE CLOCK HOURS:
