

Course:

## Book Study, Culturally Responsive Education in the Classroom

Culturally Responsive Education in the Classroom is an outstanding book that shows educators how to connect the concept of equity into the context of pedagogy in K-12 classrooms. This book provides educators with a framework for understanding what equitable learning experiences look like for children in our schools. The author shares six themes of culturally responsive education and helps teachers incorporate equity into behaviors, environments and meaningful learning opportunities. Closing equity gaps in student achievement is at the core of this book.
