

Course:

Teaching with Love and Logic

Do you ever go home feeling tired and stressed out at the end of the day?

Do you ever wish you could spend more time on instruction and less time on discipline? How easy is it to think up consequences when you are trying to manage thirty-plus kids and deliver your lesson?

Are you looking for an easy-to-use and practical student management plan that can be used in your classroom right away? Teaching with Love and Logic is the on-line course for you. Educators who use the Love and Logic approach to discipline have better relationships with challenging kids and spend less time dealing with disruptions.
